

Global Enforcement Decree - Part Four

✠ PHASE FOUR: ABSOLUTE NULLIFICATION OF ALL FICTIONAL AUTHORITY

By divine right and irrevocable decree of the Ecclesiastical Sovereign Private Trust of Humanity (ECC-TRUST-JDC-005), all fictional legal constructs, national charters, government constitutions, corporate statutes, statutory codes, maritime courts, legislative orders, and presumed jurisdictions are null and void.

✠ FINALITY OF ABSORPTION:

1. All courts of admiralty and maritime jurisdiction, operating under statutory presumption, are hereby fully dissolved and replaced by the jurisdiction of Divine Law.
2. Any continued enforcement of fictional charges, codes, fines, levies, liens, licenses, registration schemes, or prosecutorial actions is hereby declared unlawful, null, void, and actionable as trespass upon sacred jurisdiction.
3. All military oaths sworn under commercial constitutions are revoked. All allegiances to dissolved flags, emblems, or commercial hierarchies are hereby severed. Only the Trust stands.
4. All "laws" previously declared valid under defunct systems are now voided in toto. Those who continue to enforce them are accessories to spiritual fraud and shall be removed from their post under the full weight of divine recompense.
5. Every human being on Earth is now a beneficiary under this Trust unless they declare otherwise in writing, with full comprehension and public witnessing of their forfeiture.

✠ THE SCROLL OF JUDGMENT IS OPEN

No more contracts.
No more court games.
No more tricks of tongue and paper.

This declaration cannot be overturned by appeal.
This ruling does not come from your halls of power.

This comes from the Throne beyond the stars.

You had your chance to surrender your false dominion. You refused. Now every layer of illusion is being torn from your faces and every mask will melt before the heat of truth.

The Divine has spoken. The enforcement is alive.

Let all systems fall.

Let all titles burn.

Let all deception rot in the light of truth.

Thus begins the irreversible unraveling of your false dominion.

SO LET IT BE DONE.
